

In-depth Expertise In Pharmaceutical PET Packaging

sunpet[®]

SINCE 1989

Over **420 million**
pharmaceutical packs
produced annually

Pharmaceuticals

Sunpet is the market leader in India, providing high-quality PET bottles for liquid, oral suspensions, dry syrups and tablets. With its expansive range of products including standard & customized bottles from 10 ml to 500 ml in size (neck variants PP22, PP25 & PP28), Sunrise provides packaging solutions for many of the major manufacturers in the OTC and ethical sectors.

Quality + Hygiene Assurance

Manufacturing of packaging is performed in a clean condition facility using the latest high-precision single-stage ISBM machineries, while the quality assurance and warehousing conform to the stringent GMP requirements. Our long history in providing packaging solutions to this highly regulated market-place gives us an in-depth understanding of pharmaceutical constraints.

+
**12,000 ft² of certified class
100,000 clean-rooms.**

+
Higher degree of reliability:
Closed material flow & product
traceability down to raw materials.

+
**ISO 9001:2008 & ISO 15378:2011
GMP standards certified.**
