Over 420 million
pharmaceutical packs
produced annually

Pharmaceuticals

Sunpet is the market leader in India, providing high-quality PET bottles for liquid, oral suspensions, dry syrups and tablets. With its expansive range of products including standard & customized bottles from 10 ml to 500 ml in size (neck variants PP22, PP25 & PP28), Sunrise provides packaging solutions for many of the major manufacturers in the OTC and ethical sectors.

Quality + Hygiene Assurance

Manufacturing of packaging is performed in a clean condition facility using the latest high-precision single-stage ISBM machineries, while the quality assurance and warehousing conform to the stringent GMP requirements. Our long history in providing packaging solutions to this highly regulated market-place gives us an in-depth understanding of pharmaceutical constraints.

**12,000 ft² of certified class
100,000 clean-rooms.**

Higher degree of reliability:
Closed material flow & product
traceability down to raw materials.

ISO 9001:2008 & ISO 15378:2011

Liquors		Fruit Juices	Milk

Our Technology

- First-rate hot-runner molds and machinery
- Hi-tech uninterrupted power supply station
- Maximum preform packing density
- Close proximity to raw-material source & Mumbai seaport

455
Million
oil preforms
produced
per annum

Edible Oils

Sunpet is the leading manufacturer of the globally engineered and time tested standard of CTC packing for the Indian edible oil industry.

The company provides comprehensive offerings of bottles, preforms, and flow regulating closures to the major edible-oil companies. Sunpet caters to popular and premium oil segments by offering standard and customized packaging from 200 ml to 5 litres.

Our Technology

Top-of-the-line PET injection machine (KraussMaffei)/mold (MHT) combination from Germany.

The CTC Packing Advantage

- Ensuring safety against duplication/adulteration
- Prevent leakage of oil
- Controlled product dispensing for enhanced convenience
- Provide extra-ordinary shelf-appeal
- Maintain cost-effectiveness

- 
- Manufacturing at excise-free location near the country's oil-processing cluster
 - On-Site Bottle Blowing Facility

**360 million
containers**
produced annually

**Large warehousing
capacity for
JIT solutions**

Industrial Containers

Besides the leading brand 'Sunpet' for the retail market, Sunrise offers PET bottles and wide-mouth containers in versatile sizes (between 30 ml to 6 litres), shapes and neck-finish options for varied end-markets.

- **Food**
